Hi Junwei Zhou,

Thank you for your reservation! No refunds will be processed according to our Terms and conditions, however, If you need to make any changes to your reservation we require at least 24 hours notice to the original reservation date in order to process those changes at no cost. Please call or email the office in order to make these changes. Due to the large amount of construction some of our pick up locations have been adjusted. Please click <https://www.lafayettelimo.com/index.php/services/90-shuttle-services> to be directed to our website for information regarding the locations for pick up at each stop. You will also receive an email the day of your reservation 15 minutes or more prior to your pick up time with a link to GPS the vehicle and maps of each pick up location. The time you receive the email varies because it is sent 15 minutes prior to the bus leaving our office. If you are unsure where the pick up location is you can view the maps or also follow the GPS to track the vehicle's time and location. We appreciate you using our services for your transportation needs. We are always looking to improve and would love to hear about your experience so far! Please take a moment to review us through Google, Yelp, or any review site you would prefer. If you have any questions or issues that you would like to speak with us about please email [lafimo@lafayettelimo.com](mailto:lafimo@lafayettelimo.com) or call us at 765-497-3828.

**As of June 1st, 2023 O'Hare Airport has changed the pick up and drop off for ALL regional shuttles. All passengers riding to and from O'Hare airport MUST pick up and drop off at the Multi-Modal Facility. The Airport Transit system transports to and from the terminals leaving every 3-5 minutes and the trip is between 7-12 minutes total depending on which terminal you are traveling to and from. Please follow this link below for more information directly from the City of Chicago.**
